

Bale/Pallet Trailers

NC flat bed trailers are renowned for their high standard of service and durability. Each trailer in the range has a strong, robust design with versatility built in. With the **NC** Bale/Pallet trailer range you have a choice of 8 models and a host of optional extras.

- Durable non-slip floor or 50mm treated pine or smooth steel.
- Lights (recessed to eliminate the potential risk of any damage)
- Angle section side rails (option of box section)
- Box section floor runners
- U-Beam design chassis (option of box section)
- Rope hooks made from 5/8 steel ensures the safe use with load binding straps
- Rigid 21" fixed headboard (allows harvest ladders to be held rigidly and increases overall rigidity)
